

Rolling out the NEW eSoftPlanner Software Membership Database and Payment System

Sometime in the next week, you will find an email from North Harford Swim Club (postmaster@esoftplanner.com). This email will include a direct link to our new online software, a temporary username and temporary password for your account. Once you get to your account with the temporary username and temporary password, feel free to change them for security reasons. The site will prompt you to create an account where you can provide all of your family information. You will also be prompted to pay for your membership at this time.

ONE CHANCE ONLY- DON'T MISS OUT!

When you pay this season's dues, you have the option to purchase guest passes for \$5.00 each. Guest passes are stored and redeemed in the online database. You can purchase passes at any point for \$7.00 each or ten for \$60.00, but only when you pay your dues can you receive the reduced rate of \$5.00 per guest pass.

Swim Lesson Registration

In March or April, swim lesson registration will open. Members and Non-Members will be permitted to register online for lessons.
